

**TasTESOL presents**  
**'A DEMONSTRATION OF**  
**LOCALLY PRODUCED**  
**LITERACY RESOURCES'**

**Jeanne Wherrett**

Former EAL & Special Education Teacher

*Jeanne has spent the past 30 years developing literacy resources, most of which are suitable for EAL students, as well as mainstream students and those needing extra help. In 1986 there was nothing available, so she developed materials to help meet her students' needs.*

*The session will present and demonstrate some of these resources. They ...*

- *are interactive*
- *extend students' vocabulary*
- *include many video clips*
- *provide animations showing how to write letters*
- *show common sounds of letters and groups of letters, simplest first*
- *model reading left to right*
- *allow students to work independently and/or facilitate peer tutoring*
- *are suitable for all ages, and beginners to advanced*
